

TIMARU FARMERS MARKET - COMMUNITY STALL - CONDITIONS

The Supplier acknowledges and agrees to the following conditions:

1. Goods are to be delivered to the Community Stall within one hour prior to advertised Start Time. Acceptance of goods is at the discretion of Farmer's Market staff as to type, size, quantity, quality, packaging and appropriateness. Goods are to be adequately packaged for convenient handling and presentation.
2. Goods are to be accompanied by a Tally Sheet, duly completed in unshaded spaces.
3. At time of delivery to the Community Stall, Supplier may nominate the price to be charged per unit (bag, pkt, doz, each etc), but prices are ultimately set by Farmers Market Staff who may refer to the Standard Price List. Prices are set for the duration of the Market.
4. Handling/positioning of goods, following acceptance by Timaru Farmers Market, to be at the discretion of market staff.
5. Timaru Farmers Market staff may, at any time, deem any goods to be damaged, inferior or defective and sell/dispose of such items as seen fit.
6. Unsold goods to be collected from the Community Stall by Supplier within 30 minutes of the advertised Finish Time. Such items not so collected may be disposed of at the discretion of Timaru Farmers Market.
7. The Community Stall staff shall provide Supplier with a detailed accounting of goods sold (or returned to Supplier), showing calculation of Net Proceeds. Net Proceeds are to be delivered to the Supplier.
8. In calculating the Net Proceeds, Stall Operator will deduct an agreed rate of commission on goods sold. The commission will be retained by the Timaru Farmers Market.
9. Timaru Farmers Market makes no guarantee as to saleability of goods and shall not be responsible for the degree of success of the Market.
10. Timaru Farmers Market shall take all reasonable care but accept no responsibility for theft or damage to goods on the Community Stall. Supplier may consider arranging Product Liability insurance and also registering with the New Zealand Food Safety Authority or applicable agency having jurisdiction.
11. In keeping with the concept of the Community Stall being a community facility, the Community Stall is operated by volunteers. Suppliers are encouraged to volunteer.
